Great day for Sherlock fans

Review of **Sherlock: The Game Is Now**

Great day out for my wife's birthday - an excellent experience from start to finish - the actors were brilliant and the sets fab just like you see on screen especially sherlocks home. Just a great couple of hours ... would do it again in a heartbeat.

Fully immersive experience

Review of **Sherlock: The Official Live Experience**

Came here with a couple of friends for some birthday fun. From the very start of arriving at Doyle's to the very end of the experience in the bar was an absolute delight. The immersion added so much more to previous escape rooms that I've been to, and you didn't need to be a fan of the Sherlock series to enjoy the experience. The Stamford's were fantastic, really funny and they connected wonderfully with the teams. Beautifully laid out and structured from start to finish. I'd highly recommend to anyone visiting London for a day or two. 11/10.

It was really fun we went as part of my sister's birthday present and we all had a great day and really enjoyed ourselves. Plus the people that worked there were really helpful and a lot of fun. Would recommend 100%
